

Shade Barrel W

TOUCH WOOD FOR GUARANTEED RESULTS!

The **feelwood Shade Barrel W** blend has been put together and perfected thanks to careful selection of the best base materials and after rigorous testing by the Perdomini-IOC R&D team.

Numerous chemical and organoleptic tests were performed to identify the most promising materials, the ones that would provide guaranteed sensory effects on the wine.

After careful initial selection, a further series of tests was carried out to try out various blends and find the one that would strike the right balance in creating the best sensations connected with aging white wines in pre-used barrels.

**Sensory analysis performed by a professional panel (8 tasters)
on a Soave 2016 (150g/hL for 40 days)**

Targeted sensory enhancement

feelwood!
